

### Requirements Elicitation:

Method - We will be **interviewing** with 2 other groups.

Questions:

1. How do you stay focused at work?
2. What keeps you motivated in a job setting?
3. Do you know of any sort of incentives that would improve your motivation?

Results:

#### **Group 1:**

1. Removing distractions, being in a public setting
2. If it's going well, reminding yourself why you're here, positive feedback
3. Gamification, a tracker to optimize time

#### **Group 2:**

1. Focusing on task at hand, quiet work environment
2. Challenge of a task, how engaging the task is, focusing on the bigger picture
3. Money, Recognition (awards), slow incremental progress, documentation
